BORN FOR THE ROAD

Get set to become mesmerised by the lure of freedom, the magic of possibility and the excitement of adventure. Prepare to chase down the endless horizon and blow the wind out of your way. Gear up to feel the engine pounding with power and your heart beat with joy. Brace yourself to enjoy cruising down the roads and make heads turn in admiration and envy.

**TWIN POD HEADLAMPS**

Beam with pride as you ride the road with the 8mm eyebrow-styled LED Guide Lamps, which further accentuate the beastly demeanor of the Mojo.

**UPSIDE DOWN FORKS**

Rule the roads with better agility and control with the sturdy upside down forks. And look effortlessly cool while doing it.

**DISC BRAKE**

Bring the world to a halt with Mojo's powerful and effective disc brakes. The 320mm front disc and 240mm rear disc brakes are the largest in their class.

**MUSCULAR FUEL TANK**

Chase the endless horizon with Mojo's chiselled, 21ltrs fuel tank, the biggest in this category.

**DIGITAL CONSOLE**

Draw attention to the Mojo with this eye-catching compact digital instrument panel. It is the perfect combination of style and substance.

**STYLISTED TAIL LAMPS**

Lead the way with these trendy designer LED Tail Lights. The 12 LED lights consume less power and give you more efficiency.

**PIRELLI TYRES**

Safety blends with style in Mojo's Pirelli Diablo Rosso II Tubeless Radial tyres that give you superior grip, on every terrain.

**300cc ENGINE**

Unleash pure performance with Mojo's 300cc 4 valve single cylinder DOHC engine. It delivers a power of 20KW at 8000 rpm and 30 Nm Torque at 5500 rpm.
